A D V E R T I S E M E N T.

WHETHER more than one of any surname occurs, as in *Brown, Smith, Williams*, &c. they are placed in the following Manner: First, such as are in Partnership, and then the others according to the Alphabetical Order of their Christian Names. The Courts, Alleys, Streets, &c. of little Note are generally described by their situation near some well-known Street or Place.

As this Pamphlet already contains more than any other of the same price, published in Great Britain, the Publisher hopes that will be admitted as a sufficient apology for not following such advice for the improvement of the work as would encrease its bulk; as well as a satisfactory reason why some Trades and Professions are not displayed so amply as desired.

N. B. Several Persons having required money under pretence of procuring the insertion of Names in this Directory, W. Lowndes, thinks it necessary to inform the Public, that the people employed by him were always instructed to receive Additions and Corrections, *gratis*.

Alterations sent before *Michaelmas*, to No. 77, *Fleet Street*, will be duly attended to.

A LIST of the LORD MAYOR, ALDERMEN, &c. of the City of LONDON, with the Time of their Election, the Wards over which they preside, and their places of Residence.
